ARTS & DISASTER RESPONSE

1. The Kentucky Arts Council has functioned as the lead arts response organization following the tornadoes in Western Kentucky in 2021 and the floods in Eastern Kentucky in 2022.
2. The arts council has developed partnership with local, state and national organizations committed to improving conditions for the arts community to recover and support efforts in arts preparedness to be ready for future disasters.
3. Emergencies and disasters are among the largest threats to the careers of artists and the livelihood of arts organizations in the state.
